SUMMARY

Frontend developer focused on building fast, responsive interfaces with HTML5, CSS3, and JavaScript. Comfortable across the stack — from TailwindCSS layouts to integrating backends like Supabase and Firebase, with production apps deployed via CI/CD on Netlify and Vercel. Recently expanded into AI-powered tools, combining frontend work with API integrations and Generative AI. Looking to bring that hands-on, ship-it mindset to a collaborative frontend team.

SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+)

Frameworks & Libraries: TailwindCSS, Bootstrap, React (learning)

Tools & Platforms: Git, GitHub, Vercel, Netlify, Supabase (PostgreSQL), Firebase

Practices: Responsive Design, AI-Assistant Debugging, Version Control, CI/CD (GitHub + Netlify)

PROJECTS

BookMyRoom – Hotel Booking System

[Live Demo](#) | [GitHub](#)

- Built a full-stack hotel booking web application using JavaScript (ES6+) and TailwindCSS, delivering real-time room search and instant booking across 50+ Indian cities with a responsive, cross-browser-compatible UI.
- Integrated Supabase (PostgreSQL) as the backend, implementing REST-based real-time data queries, user authentication, and Row-Level Security (RLS); deployed on Netlify with CI/CD via GitHub.

LaunchShield – AI-Powered Website Audit Tool

[Live Demo](#) | [GitHub](#)

- Built a no-login website audit tool that runs parallel Performance, SEO, Accessibility, and Security scans via the Google PageSpeed Insights API, using Gemini AI to translate raw scores into plain-English action items.
- Deployed serverless functions on Vercel with Firebase/Firestore as the backend, hardening the API against SSRF attacks and enforcing IP-based rate limiting on every scan request.

CERTIFICATIONS

- Front-End Web Development – Reliance Foundation Skilling Academy (Skill India Digital Hub)
- Responsive Web Design V8 – freeCodeCamp
- Introduction to Generative AI – Art of the Possible – AWS Training & Certification
- Foundations of Prompt Engineering – AWS Training & Certification

ACADEMIC ACHIEVEMENT

Earned a perfect 10.0 CGPA in the 5th Semester of Diploma in Computer Science & Engineering, with Software Engineering, Computer Network & Internet and Web Technology.

EDUCATION

Noida International University, Greater Noida

2023 – 2026

Diploma in Computer Science and Engineering – CGPA: 9.14

National Institute of Electronics & Information Technology (NIELIT), Prayagraj

2022 – 2023

'O' Level Certificate

Mahatma Gandhi Kashi Vidyapith, Varanasi

2019 – 2022

Bachelor of Arts – English Literature
